OPPORTUNITIES SEASON  
2019**

# INTRODUCING KNOX UNITED SOCCER CLUB

Knox United Soccer Club is a Community Club based in Rowville, providing an opportunity for local children to enjoy the wonderful sport of soccer in a family friendly environment.

In 2018, we fielded approximately 230 players across 17 teams, including 2 girls teams, within the Miniroos and Junior competitions run by Football Victoria (FV).

These competitions take our teams to venues across the Eastern Metropolitan area and beyond and offers our Sponsors significant exposure to our members and local community, but also hundreds more from other clubs.

In addition, we have a highly successful Little Champs program for 4 to 7 year olds with over 50 boys and girls participating and our inspirational Flames participating in the Wheelchair Soccer League.

In 2018, we fielded for the first time a Men's Senior team in Men's State League 5 which was made up of our Under 18 boys team and is a pathway for homegrown talent to continue playing at a Senior competition.

We are the fastest growing soccer club in the Knox region and we anticipate further growth in particular with our Junior Girls teams. We are a volunteer based club with an emphasis on providing a positive learning environment. Our model is to maintain a competitive fee structure which is assisted by our Sponsor relationships and fundraising ventures. We are extremely appreciative of the continued support of the business community in achieving our goals.

This is an exciting time for Knox United Soccer Club as the game continues its rise in popularity, participation and exposure.

We look forward to successful partnerships with our Sponsors in 2019.

Yours Sincerely,

**Matt Dalle Nogare**

**President**

# SPONSORSHIP PACKAGES

Knox United is excited to introduce our sponsorship packages for 2019. We have tailored our packages with a focus on maximising Sponsor recognition and exposure across visual aids such as logos on playing jerseys, ground signage, website advertisement and social media broadcasting.

We purchase professional high quality playing strips which have fully sublimated print. This offers our sponsors the advantage of corporate logos being accurately replicated in full colour and permanently printed into the jersey.
